Lr.No.GS/TNEBES/F1/ D23 /2019, Dt.28.08.2019.

Sir,

Sub: - Issuing of Assistant Engineer / Electrical promotions by internal selection for the eligible left out persons qualified through Vinayaga Missions University - Regarding

Ref: Memo No. 036905/G.13/G.131/2019, dated 29.05.2019.

Assistant Engineer / Electrical promotions by internal selection was issued to 277 persons vide reference cited above. Persons who had completed Bachelor's Degree in Engineering had applied for this AE post. But in that promotion list some of the persons who had qualified through Vinayaga Missions University, Salem have been left out.

Even though the reason for this has not been stated so far by the Personnel Management, we learn that it has not been issued citing certain discrepancy. Promotions have been issued for similar cases all along in the previous years and hence the reasons for being not selected this time is really surprising.

To be specific, among a group persons who studied in the same course/class some were promoted as Assistant Engineer in the last panel but some have been left out in this panel. This is totally unacceptable and the individuals are totally shocked and aggrieved. We sincerely request the Chief Engineer / Personnel to resolve this matter so that promotions could be issued to all the left out persons, at the earliest please.

Thanking you, Sir,

Yours sincerely,

(V.S. SAMPATHKUMAR)

General Secretary.
