Lr.No.GS/TNEBES/F1/ D11 /2019, Dt.26.07.2019

Respected Sir,

Sub: Assistant Engineer / Junior Engineer Grade-I / Electrical to Assistant Executive Engineer / Electrical Promotion – DPC Completed – Issuing of Promotions immediately requested – Reg.

Ref: Letter No.093166/375/G.1/G.11/2018-4, dated 03.12.2018.

Vide reference cited above Suitability Report was called among Assistant Engineer / Junior Engineer Grade-I / Electrical for promotion to the post of Assistant Executive Engineer / Electrical. After a period of almost 7 months DPC was conducted, presently we understand that the DPC has been completed, which is ready for approval and issuing promotions.

In the past few months we had represented umpteen times to issue these promotions at the earliest so that the Junior Engineers Grade-I who have put up almost 20 years of service in this post get their due benefit of Assistant Executive Engineer / Electrical promotion at least before their superannuation. Alas it has not been considered and we are much pained to inform that for the last 2-3 months many individuals have retired from Board's service without getting elevated. This is not just a sorry state of affairs but quite pathetic too as the Junior Engineers have been denied of their legitimate promotions **despite huge Assistant Executive Engineer vacancy beyond 400 Nos.**

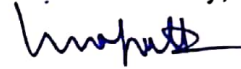

Tamil Nadu Electricity Board Engineers' Sangam

We would like to highlight that this month again 6 Nos. Junior Engineers in the Assistant Executive Engineer panel are due for superannuation on 31.07.2019.

We sincerely request the kind intervention of the Respected Chairman cum Managing Director in this matter and request to instruct the Chief Engineer / Personnel to speed up the promotion process and **issue promotions for the post of Assistant Executive Engineer / Electrical before 31.07.2019** benefitting the individuals on superannuation this month and thus render justice please.

Thanking you, Sir,

Yours sincerely,

(V.S. SAMPATHKUMAR)
General Secretary.
