Memo No.059931/G.11/G.111/2019-104, dated 02.11.2019.

Sub: Establishment - Class II Service – AE (Electrical) / JE (Electrical)
I Grade – Promoted as AEE/Electrical - Not joined duty in the
allotted post – Instructions – Issued.

Ref: This office Lr.No.059931/G.11/G.111/2019, dated 31.07.2019.

It has been brought to the notice that certain Class-II officers who were on promotions have not joined in the allotted post. It caused much embarrasment to the TANGEDCO in maintaining generation, operation & distribution of uninterrupted power supply.

2. Hence, all the Chief Engineers/Superintending Engineers concerned are informed to relieve the officials on promotion under their control and instruct them to join duty in the allotted post immediately.

3. All the Chief Engineers are hereby informed that whenever postings are issued, it is the responsibility of the Office of the Chief Engineer/Regions that the concerned individual are relieved immediately. The Chief Engineers are requested to make sure that this is strictly complied with.

4. The Chief Engineers are also informed to send the list of names of Class II Officers who have not reported for duty based on the orders issued, to the Chief Engineer/Personnel so as to initiate Disciplinary Proceedings against such officials.

5. It is further instructed that the failure to adhere to the same would be construed as a disobeyal and further course of action will be pursued without any further reference. In order to avoid the same, the Chief Engineers/Superintending Engineers and such other officers concerned are informed to relieve the promotees forthwith so as to enable them to join duty in the promoted post **on or before 07.11.2019 A.N.** positively. Otherwise, it would be construed that the promotees are not willing to take up higher post and it will be taken as relinquishment of promotion by the Assistant Engineers/Junior Engineers (Electrical) I Grade and the said posts will be filled by transfer/promotion in future.

6. The Chief Engineers are also informed to make sure that the reports are sent to the Chief Engineer/Personnel **by 07.11.2019 A.N. positively by E-Mail.**
