We invite the kind attention of the Chief Engineer / Personnel on the following few lines.

The general conditions relating to the permission granted to study part time B.E. and A.M.I.E courses and the distance criteria are given in the orders cited in the reference (1) to (3).(copies enclosed).

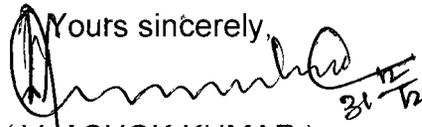

Studying part time M.E. and M.B.A. also on par with the same pattern adopted for B.E. and A.M.I.E. courses. As the instructions mention B.E and AMIE courses certain administrative heads ask for clarification whether it is applicable to M.E and M.B.A courses. Earlier in 2009 also the same issue came up and we learn that instruction to study M.E. was issued after consulting with the Secretariat Branch.

## Tamil Nadu Electricity Board Engineers' Sangam

Now also few officials want clarification in this issue. The subject matter is only to enrich the knowledge of the individual at his own cost, which in turn improves our standard of functioning. There will not be any financial or administrative constraints in allowing the part time study.

Hence, we request the Chief Engineer / Personnel to kindly issue general order covering the part time courses of M.E. and M.C.A. on par with other courses and settle the issue.

Thanking you, Sir,

Yours sincerely,  
  
( V. ASHOK KUMAR )
