3. Lr.No.GS/TNEBES/F1/D.28/2026, Dt.12.05.2026.

Huge backlog exists in Junior Engineer / Electrical I Grade posts. Based on our Sangam's persistent representation to set right the backlog in Junior Engineer / Electrical I Grade, a panel for 211 persons was approved under the crucial date of 25.03.2024 and promotions issued vide reference - 1 cited above. These promotions were issued a years ago and subsequently huge number of Assistant Engineer / Electrical have been recruited and promoted through internal selection.

It is the duty of the Personnel Administration to ascertain and apportion the exact number of Junior Engineer / Electrical I Grade posts as per the prevalent ratio, call for of suitability and issue promotions. But the Personnel Administration has turned deaf ears in this matter and not acted as per justice. This calling for will benefit not just the individuals but the Board too for filling up of the vacant posts.

Our repeated representations to the respected Chairman cum Managing Director and instructions thereof has not been complied by the Personnel Administration which is paining. The assurance of the Chief Engineer / Personnel few months ago to the respected Chairman cum Managing Director in our presence in this regard has not been followed in true spirit.

## Tamil Nadu Electricity Board Engineers' Sangam

Hence we bring this matter yet again to the knowledge of the respected Chairman cum Managing Director requesting to issue strict instructions to the Chief Engineer / Personnel to initiate the process of calling for of suitability for promotions to the post of Junior Engineer / Electrical I Grade at the earliest and thus render justice please.

Thanking you, Sir,

Yours Sincerely,

  
**(V.S.SAMPATH KUMAR)**  
General Secretary.
