Promotion for the post of Junior Engineer II Grade / Mech. has been very sparse for almost a decade due to short of vacancy. Stagnation of incumbents in Junior Engineer II Grade / Mech. post without Junior Engineer I Grade / Mech. promotion due to litigation in Hon'ble High Court is the reason behind this.

Above matter has been represented by our Sangam and pending consideration. Particulars have been received from the field and DPC is to be conducted shortly. All the 34 individuals in the calling for list have already attained selection grade and are waiting for their 1st promotion eagerly. It is needless to mention that most of their counter parts in Electrical Branch joined along with them have already got their 2nd promotion as Junior Engineer I Grade / Elec.

Our Sangam's earnest appeal at this juncture is to issue promotions for all the eligible persons in the calling for list. We would like to mention 3 of the individuals in the calling for list are due to superannuate from Board's service shortly. Awarding of these individuals with at least 1 promotion in their career would be befitting for their sincere service.

We seek attention of the respected Chairman cum Managing Director in this matter requesting to instruct the Chief Engineer / Personnel suitably to issue promotions benefitting the individuals on superannuation and thus enlighten the life of the affected individuals please.
